Shapelize

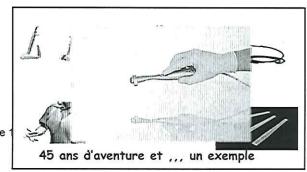

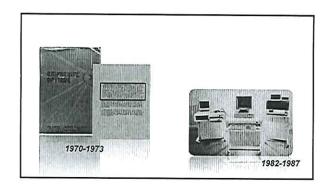

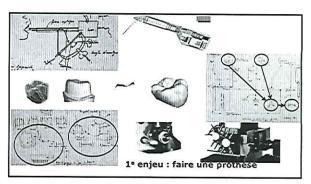

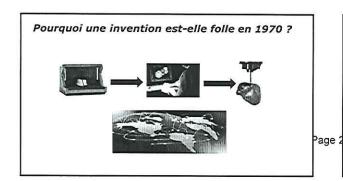

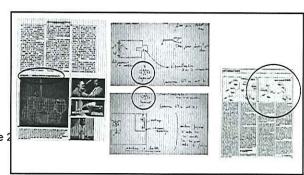

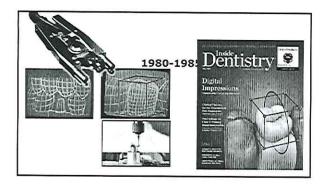

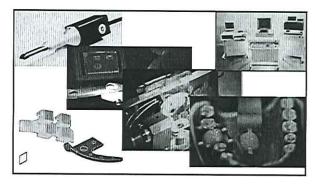

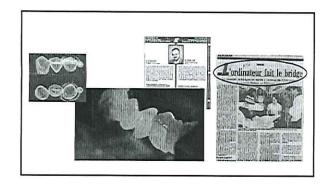

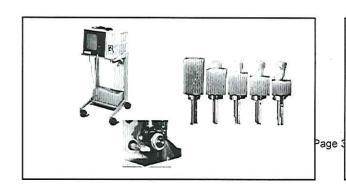

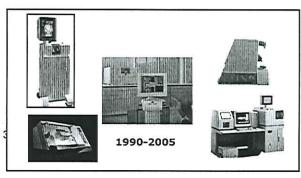

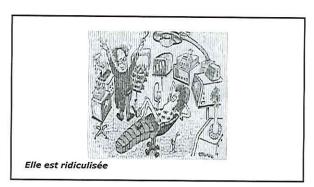

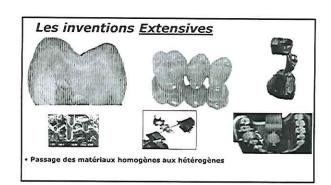

S'il existe un moment merveilleux dans sa vie professionnelle, c'est bien l'instant unique, presque magique où ... l'idée nouvelle se cristallise subitement dans votre esprit

Cet instant, vous ne l'oubling de le si vous êtes un inventeur né, il deviendra di cessaire à votre joie

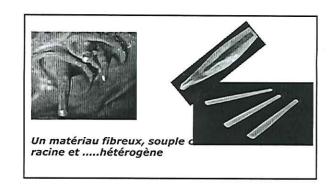

Car ...méfiez vous de cette muse, elle est belle et très libre

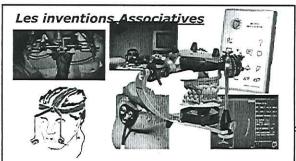

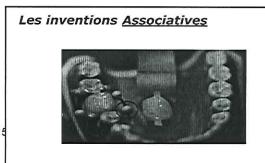

les 5 règles de base qui peuvent vous aider à inventer

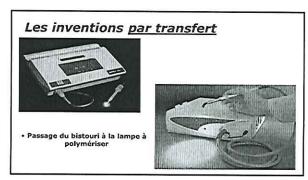

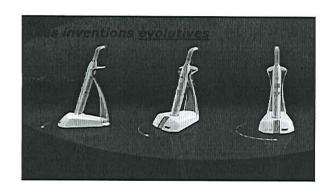

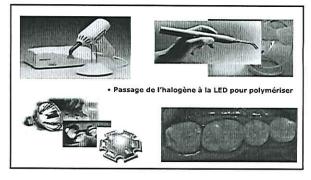

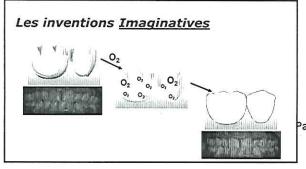

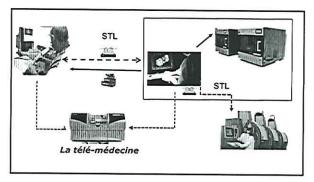

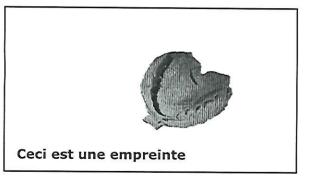

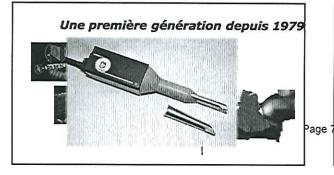

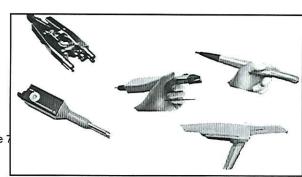

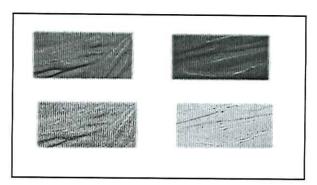

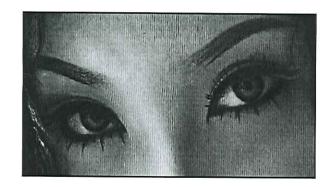

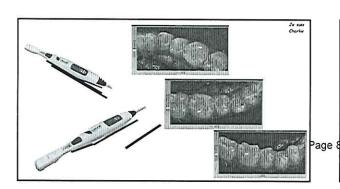

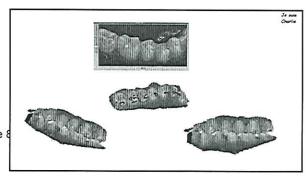

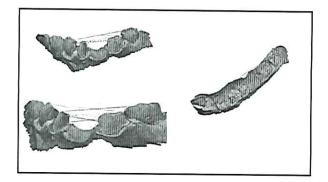

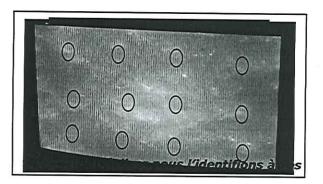

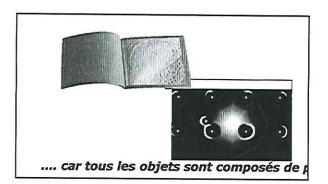

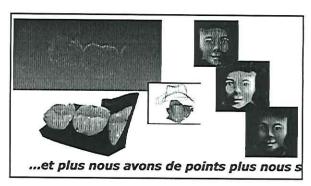

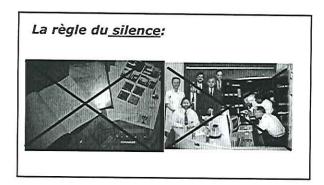

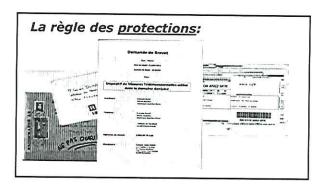

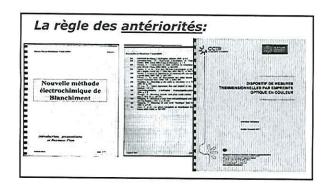

les 5 règles de base qui peuvent aider à être vous-même

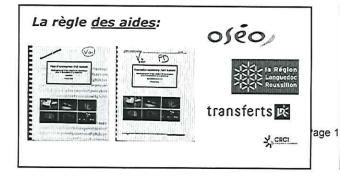

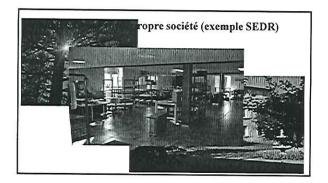

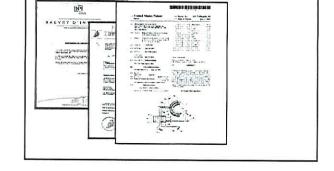

Enfin c'est le choix si complexe
« seul ou avec un industriel »
(pour valoriser ses inventions et la France)

Au fond il n'y a que trois choix
